

Dear Customer:

Chromachemie Laboratory Private Limited is an appointed authorized distributor of ATCC cultures, bioproducts, and services in India. ATCC characterizes and produces under rigorous quality control standards all products supplied to you through them. Researchers in India who use ATCC products will benefit by the reduced shipping time, more convenient and timely customer and technical service, ease of payment, and assistance with import requirements.

Requests for ATCC cultures, bioproducts, and services should be directed to:

Chromachemie Laboratory Private Limited  
Unit No 401-402, Model Export Bhavan  
Plot No 488 B, VITC, 14th Cross, 2nd Stage  
Peenya, Bangalore 560058, India

Tel: +91-80-6701-2000

Fax: +91-80-6701-2046

Email: [atccsales@chromachemie.co.in](mailto:atccsales@chromachemie.co.in)

Website: [www.chromachemie.co.in](http://www.chromachemie.co.in)

The arrangement between ATCC and Chromachemie Laboratory Private Limited is part of our commitment to providing authentic research materials worldwide, and we are confident that it will benefit biological and biomedical research throughout India.

Sincerely,

A handwritten signature in black ink that reads "Catherine L. Corcoran".
